Co-convenor, *Autism Aspergers Advocacy Australia* (A4)
website: <http://a4.org.au/>

A4, a recognised disability representative organisation (DRO), advocates for autistic people, their families, carers and associates. A4 is internet based so that Australians anywhere can participate in and contribute to A4's advocacy for autistic people, their carers and allies.

A4 recognises the Traditional Owners of lands in Australia; we respect their elders past, present and emerging. Sovereignty was never ceded.

Recipients of correspondence from A4, especially politicians and government officials, are all subject to A4's policy on unanswered questions: see <http://a4.org.au/node/1419>.

The issue is that autistic people just don't deliver on the plans, dreams and expectations in other peoples' head.
